Re: Complaint Mur 6646

Dear Mr. Jordan.

I am in receipt of your letter regarding the above Federal Committee and complaint filed.

As you will see by the attachments and donor back ups, the donations via credit card were dated before the Primary Election and it was both donors (Doheny & Hilty) intent to contribute towards the Primary Election. I tried their credit cards before and after the election and was finally able to get them through on the date in question. Since their donations were dated before the election I deemed they were to be applied to the Primary. I did not want to back date them, as I thought that improper.

Their Donations were in fact deposited within the 10 day period after I was able to get their cards to go through.

I believe I have not violated any FEC laws, as it was clearly the donors intent to have the campaign contributions applied towards the Primary Election. Please review the attachments proving such.

Please let me know if you need any further information.

Thank you,

Lysa Ray
